

### REMARKS

Review and entry of this Rule 312 Amendment is requested. Claim 11 has been amended to recite "further comprising a tenth connection" in place of "further comprising a seventh connection".

Claim 11 depends from claim 10, which in turn depends from claim 9. Applicants note that claim 9 already recites a seventh connection, and that claim 10 recites eighth and ninth connections. Accordingly, it is clear that claim 11 should recite "further comprising a tenth connection". It is believed that no new matter is added by any amendments herein.

The Examiner is requested to call Applicants' attorney at (408) 392-9250 if there are any questions.
